The following restrictions, limitations and covenants are hereby imposed upon and shall run with the land contained in such plat and are intended to amend, restate and replace those restrictions, limitations and covenants contained in the document titled Sycamore Leaf Covenants and Restrictions previously recorded as instrument No. 990024815 in the office of the Recorder of Marion County. This subdivision previously known as Sycamore Leaf shall now be known and designated as Sycamore Run subdivision in Marion County, Indiana. All streets shown and not hereby dedicated are hereby dedicated to the public.

There shall be created, under the laws of the State of Indiana, a not-for-profit corporation to be known as the “Sycamore Run Community Association, Inc.” which shall be referred to as the Association. All lot owners within Sycamore Run Subdivision shall be members of the Association.

(I) The general purpose of the Association shall be to provide a means to maintain, repair and/or replace the area within the Subdivision for the purpose of storage of storm water designated as the Retention Area including storm sewer easements, as well as to provide a means to maintain, repair and/or replace entrance signs, fountains, Green Space Common Area and Landscape Easement. Common Area and Green Space means the drainage system, the Lakes, roadway pavers to the extent not maintained by public authority, any utility service lines or facilities not maintained by a public utility company or governmental agency that serve more than one lot, and any areas of land shown on the plat, described in any recorded instrument prepared by owner or it’s agents or conveyed to or acquired by the corporation, together with all improvements thereto, that are intended to be devoted to the use or enjoyment of some, but not necessarily all, the owners of lots.

(II) The Association shall have all of the powers set forth in its Articles of Incorporation, together with all other powers that belong to it by law, including the power to levy a uniform annual charge or assessment against the lots in the Subdivision as well as collecting and disbursing the assessment and charges.

(III) The Board of Directors of the Association shall fix the amount of the annual charge by the first day of January of each year, and written notice of the charge so fixed shall be sent to each member. The annual assessments may be increased each year not more the 5% above the assessments permitted for the previous year, on a cumulative basis, without a vote of membership. The annual assessments may be increased by more than 5% above the assessments permitted for the previous year by a vote of two-thirds (2/3) of the total votes of the Members who are voting in person or by proxy, at a meeting called for this purpose. The Board of Directors may fix the annual assessments at any amount not in excess of the maximum permitted

hereby. The Board of Directors shall establish the dates the General Assessment shall become due and the manner in which it shall be paid.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, replacement or maintenance of the Green Space Common Area and Landscape Easement, provided that any such assessment shall have the assent of not less than two-thirds (2/3) of the total votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose. All Assessments, together with interest thereon and costs of collection thereof, shall be a charge on the land and shall be a continuing lien upon the Lot against which each Assessment is made until paid in full. Each Assessment, together with interest thereon and costs of collection thereof, shall also be the personal obligation of the Person who was the Owner of the Lot at the time when the Assessment became due.

Notwithstanding anything contained in this section or elsewhere in this declaration, any sale or transfer of a residence unit or lot to a mortgagee pursuant to a foreclosure of its mortgage or conveyance in lieu thereof, or a conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any unpaid assessments which became due prior to such sale, transfer or conveyance, provided, however, that the extinguishment of such lien shall not relieve the prior owner from personal liability therefore. No such sale, transfer or conveyance shall relieve the residence unit, or the purchaser thereof, at such foreclosure sale, or the grantee in the event of conveyance in lieu thereof; from liability for any assessments thereafter becoming due or from the lien therefore.

Limitations on Assessments Owed by Declarant. Notwithstanding anything to the contrary contained therein, neither the Declarant nor Davis Homes (builder) shall be obligated to pay as to any and all Lots owned by it from time to time any assessments (whether regular annual assessments or special assessments) payable hereunder by Owners. The General Assessment shall commence with respect to assessable lots on the first day of the month following conveyance of the first lot to any Lot Owner who is not the Declarant or builder. The initial assessment on any assessable lot shall be adjusted according to the number of whole months remaining in the assessment year.

(IV) Any assessment not paid within 30 days after the due date may upon resolution by the board of directors bear interest from the due date at a percentage rate not greater than the current statutory maximum annual interest rate, to be set by the board of directors for each assessment

year. The charges or assessments levied by the Association shall be used exclusively for the purpose of maintaining the Retention Area and Community Areas as set forth under Section (I).

The Declarant of the herein described real estate shall convey title to the Lakes and Common Areas to the Sycamore Run Community Association, Inc. Each owner of a lot that abuts the Lakes shall be responsible at all times for maintaining so much of the bank of the Lakes above the pool level as constitutes a part of or abuts his lot and shall keep that portion of the Lakes abutting his lot free of debris and otherwise in reasonably clean condition.

No boats shall be permitted upon any part of the Lakes and no dock, pier, wall or other structure may be extended into the Lakes without prior written consent of the Board of Directors and such governmental authority as may have jurisdiction thereover. No swimming will be permitted in the Lakes except if and to the extent authorized by the Board of Directors. Each owner of a lot abutting the Lakes shall indemnify and hold harmless the Declarant, the Association and each other Owner against all loss or damage incurred as a result of injury to any person or damage to any property, or as a result of any other cause or thing, arising from or related to use of, or access to, the Lakes by any Person who gains access thereto from, over or across such Owner's Lot.

The Declarant shall have no liability to any Person with respect to the Lakes, the use thereof or access thereto, or with respect to any damage to any Lot resulting from the Lakes or the proximity of a Lot thereto, including loss or damage from erosion.

The Homeowner's Association shall maintain the entryways, the landscape easements, Green Space and all improvements and plantings thereon, and the maintenance costs thereof shall be assessed as a General Assessment against all lots. Grass, trees, shrubs and other plantings located on an entryway, Green Space or a landscaping easement shall be kept neatly cut, cultivated or trimmed as reasonably required to maintain an attractive entrance to Sycamore run or a part thereof or a planting area within Sycamore Run. All entrance signs located on an entryway shall be maintained at all times in good condition appropriate to a first class residential subdivision.

To the extent not maintained by public authority, the Homeowner's Association shall maintain the roadway pavers and the maintenance cost thereof shall be assessed as a General Assessment against all lots.

The Corporation shall have two classes of members.

Class A members shall be all Owners of Lots, with the exception of the Declarant prior to termination of Class membership, and be entitled to one (1) vote for each lot owned with respect to each matter submitted to a vote of members upon which the Class A members are entitled to vote. When more than one person holds title to any Lot, all such persons shall be members. The vote for such lot shall be exercised as they among themselves determine, but in no event shall

more than one vote be cast with respect to any one Lot. There can be no split vote. Prior to or at the time of any meeting at which a vote is to be taken, each co-Owner or other person entitled to a vote at such meeting shall file with the Secretary of the Association the name of the voting co-Owner or other persons having filed a general voting authority with the Secretary applicable to all votes until rescinded.

Class B members shall be the Declarant and all successors and assigns of the Declarant designated by the Declarant as Class B members in a written notice mailed or delivered to the resident agent of the Association. Each Class B member shall be entitled, on all matters requiring a vote of the membership of the Association, to five (5) votes for each lot owned by them or it and five (5) votes for each single numbered parcel of land shown upon and identified as a lot on any recorded plat of the Real Estate.

The Class B membership shall terminate upon the first to occur (a) resignation of the Class B member and written resignation of the Class B members as such is delivered to the resident agent of the Association; or (b) when all the development area has been developed into lots and all such lots have been sold. Declarant shall each be entitled to one (1) Class A membership for each Lot of which it is an Owner on or after the termination of the Class B membership.

Unless the Class B member and at least two-thirds of the Class A members have given their prior written approval, the Association, the Board of Directors and the Declarant may not change the method of determining the obligations, assessments, dues or other charges that may be levied against the Owner of a residence by an act or omission change, waive or abandon any scheme of regulations or enforcement pertaining to the architectural design or the exterior appearance of the residences or maintenance and upkeep of the community area.

As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veteran's Administration: Annexation of additional properties, dedication of the common Areas, and amendment of this Declaration of Covenants, Conditions and Restrictions.

Front and side yard building setback lines are hereby established as shown on this plat, between which lines and the property lines of the street, there shall be erected or maintained no building or structure.
